

**August 15** is back to school day for the Redding kids. We have lots of children that have lost their homes due to the Carr Fire.

If you have gently used school clothes that you would like to donate so the Redding kids can start their school year off right, please drop them by your local Edward Jones office.

Because they already have so much on their plates, we are asking that the clothes be:

- **Clean & ready to wear**
- **Neatly folded**
- **Boxed with gender & size noted on the outside**

Thank you so much for your love and generosity!
